

By Train (Bus from Gwangju Station)

Note: You may also take a taxi from Gwangju Station. Please refer to our 'By Taxi' instructions.

If you find yourself confused or lost, please ask for a telephone at the Information Center to call us at 010-9592-9993.

Step 1: Upon exiting the train, follow the crowds through the main station. Your exit will be a slight left from where you enter.

Step 2: Go out the exit.

Step 3: Cross here and keep walking straight.

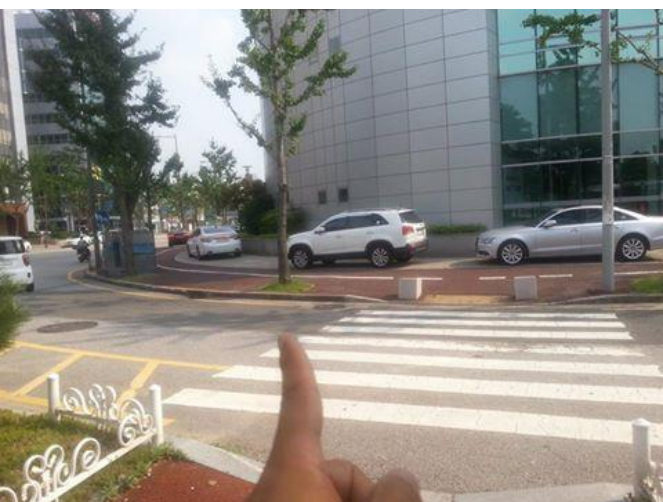

Step 4: Walk straight past the waiting taxis.

Step 5: Turn right across this crosswalk.

Step 6: Take the crosswalk immediately on the left.

Step 7: Turn left after crossing the road and find this tiny crosswalk (it should be the fourth you have to cross).

Step 8: The bus stop will be across from this building.

Step 9: You can take one of two buses: 19 or 160. We recommend the 19 (even though it takes a little longer) because the stops are advertised on a sign at the front of the bus as you ride it.

Step 10: Get off at 한국 농어촌 공사 (Korea Rural Community Corporation) and turn left as you get off the bus.

Step 11: Turn right onto the street before the CU convenience store.

Step 12: Turn right at the first intersection.

Step 13: Walk straight until you reach Voyagers. Go through the right entrance to access our reception desk.
